

# Gift of Securities Instructions

---

Giving securities is one of the most tax-efficient ways to give. Gifts of publicly traded securities bought over a year ago that have increased in value can be donated to Ludwig von Mises Institute for Austrian Economics. The donor is entitled to a charitable deduction of the value of the securities. In addition to the tax deduction, donors avoid all capital gains taxes. This makes for a double tax savings!

---

## Information for Electronic Stock Transfer to Ludwig von Mises Institute for Austrian Economics

---

<b>Account#</b>	18706740
<b>DTC#</b>	0725
<b>Tax ID#</b>	52-1263436
